

FOAEA GRANT APPLICATION

Each semester during the 2017-2018 school year, Friends of Albert Einstein Academies (FoAEA) will fund up to \$10,000 in new teacher initiatives. Ideas funded by these grants should have a lasting impact on student development and learning (requests should not be for one-time use supplies – FoAEA has allocated other funds to the schools for these requests).

Application deadlines are:

Semester 1 – October 7, 2017

Semester 2 – January 31, 2018

Please obtain principal's signature and place completed application, along with all necessary supporting documents, in the FoAEA mailbox at the Elementary School. Direct any questions to grants@foaea.org

Applications will be reviewed and funded approximately 1 month after the application deadlines. Since there are limited funds available, we may not be able to approve every request received.

APPLICANT INFORMATION

School:	Elementary	Middle	Class:	
Name:			E-mail:	
Phone #:				

REQUEST DETAILS

Project Title:				
Amount Requested:		Have you received an FoAEA grant in the past?:	Yes	No
Will the amount requested from FoAEA fund your entire project?	Yes	No		
If you answered No above, how will you raise the rest of the funds necessary:				

Describe your project including how it will create a lasting impact on student development and learning. Include a general breakdown of costs for your project (attach a separate spreadsheet or document, if necessary):
