Dear Community Supporters of Albert Einstein Academies,

Let me start by thanking you for your amazing support of our schools in previous years. Our 13th annual Gala is just a few months away and the **FRIENDS of Albert Einstein Academies** need your help again! Each passing year, state and federal funds fail to meet our future citizens educational needs and so the parents in your community continue to fundraise for essential programs. Without this effort from parents, community members and businesses, science, art, and physical education would be limited or not available. Please support our efforts to maintain our status as award winning, tuition-free public elementary and middle schools.

We are very happy to announce that our Auction Gala will be held at the Albert Einstein Academies middle school campus and will showcase the amazing building that our children learn in every day. More than 300 guests are expected to attend our biggest event of the year on Saturday, June 3, 2017. With your help, we will make this year's event the most successful one to date for our schools. Our gala fundraising goal is \$100,000 to provide quality educational opportunities for our children.

Please help us with one or more of the following:

- **Sponsor** the gala to help cover the costs of this event and promote your business to a thriving community of 1500 plus students, parents, and staff (see the enclosed flyer for sponsorship levels and benefits)
- **Participate** in this event by making a donation of goods or services to be auctioned at the gala
- **Attend** the 13th annual Gala!

For donations or sponsorship please complete the attached form(s) and return it and your donation to the above address by May 1, 2017 or email us at [gala2017@foaea.org](mailto:gala2017@foaea.org). Donation pickups are also available. For questions about sponsorship or to purchase tickets, please call Brant at 619-560-9019 or email him at [gala2017@foaea.org](mailto:gala2017@foaea.org).

Thank you for your continued support,
